

*“Lucy sleeps with her nightly...She has become her constant companion.” -Diane, Assisted Living Regional Director*

Lucy the Lapdog provides the weighted, calming input of a real pet

*“The two Lucys are doing great and bring much comfort to the residents. They are helpful and **our most effective tool** during a time of high anxiety.” -Lisa, Assisted Living Director*

*“She smiled and started petting our little Lucy...looked into Lucy’s eyes and started brushing the hair away to see her face...closed her eyes and started humming and rocking. Quite content!” -Carol, Assisted Living Director*
